PRICE BUILD-UP

The unit price equals the starting price, times one minus the DIR customer discount, times 1.0075, so the administrative fee of 0.75 percent of the customer price is inside the unit price. Microsoft lines take 16.50 percent off the Level D price. The Adobe line takes 6.00 percent off list. Results are rounded to the cent. Every line below ties to the unit price billed on this invoice.

Part	Starting price	Calculation printed on this invoice	Unit	Extended
